Selection Estate Small Lot Series BRITISH COLUMBIA CHARDONNAY

Style: British Columbia is at the forefront of new, New-World Chardonnays, with a crisp, bright style that's perfectly balanced for food or casual sipping. Pale yellow, with fresh mineral and citrus flavours, notes of pear, white peach, green apple and fine acidity lead to a long, creamy finish with notes of honey.

This wine can be left unoaked, for the cutting edge of the New World style of racy drinkability, or gently oaked to add notes of vanilla, smoke and butterscotch, along with a lengthened structure and sophisticated finish.

The British Columbia Chardonnay will only be available in small quantities for a limited time, so don't miss this rare opportunity to stock your cellar with this fabulous wine.

Harvest Conditions: Brix 21.3, pH 3.6, TA 4.5 g/l

Similar Styles: Selection Estate Series Sonoma Dry Creek Valley Chardonnay, Selection International Series Chilean Chardonnay
