

World Vineyard, is the evolution of the original Vintners Reserve, made from grapes harvested from great winemaking regions outside of North America, providing winemakers the opportunity to make varietals and styles from around the world at an affordable price.

World Vineyard WASHINGTON RIESLING

Style: World Vineyard Washington Riesling has a distinctive floral and green apple aroma mixed with mineral elements from its Washington vineyard, giving it a brisk, 'racy' quality. Its high natural level of acidity enables it to balance a hint of residual sugar, setting off aromas of rose petal, apple, pear, peach and apricot and leading to a grand crisp finish of flinty mineral notes.

World Vineyard CALIFORNIA PINOT NOIR

Style: World Vineyard California Pinot Noir creates a lasting impression on the palate with an intense ripe-grape and black cherry aroma, accented by a spicy suggestion of cinnamon and mint. Medium-bodied and rich but not heavy, it's perfectly balanced, with alcohol acid and tannin working harmoniously, with substantial flavour despite its delicacy. It has an appealing soft, velvety texture, like liquid silk gently caressing the palate.
