## GREEN APPLE RIESLING

*A New and Unique Apple Experience*

Brew King is pleased to offer a new thirst-quenching flavour combination to the

**ISLAND MIST** family with our new **Green Apple Riesling!**

**ISLAND MIST Green Apple Riesling** offers the flavour sensation of biting into a crisp, crunchy green apple, with a pleasant initial tartness followed by a delicious juicy finish. The natural apple flavours blend perfectly with the lively apple notes that are one of Riesling's delightful trademarks. Clean, cool and crisp – **Green Apple Riesling** has a wonderful balance of apple flavour with the slight acidity and full, firm character of the Riesling grape.

Your customers will love this one served up brilliantly chilled, for an irresistibly crisp and exciting summertime beverage that offers a lightly sweet alternative to the heavier sweetness of regular wine coolers.

**ISLAND MIST™**  
*The refreshing new way to enjoy wine.*
