

Think **Pink** this Summer

While quantities last, we're offering a delicious, refreshing alternative to red wine

Selection International Spanish Rosé

Made from a blend of red and white varietals including popular Spanish Tempranillo, this exceptional, refreshing, dry, light-medium bodied wine is a must have for summer.

A perfect complement to your favourite summer dishes.

Goes great with fish, poultry, pork, and other lighter meats and foods.

Sweetness: Dry

Body: Light-Medium

The Top 10 Reasons to Drink Spanish Rosé

1. You're having fish and he's having meat, but you'd like to share the wine
2. You want to get a leg up on all those wine-snobs out there
3. You're feeling like red's too heavy but white's a bit light
4. The Grateful Dead used to drink a bottle before every concert
5. You'd like to enjoy a glass of wine with lunch
6. It's cheaper than a trip to the French Riviera (rosé has been part of the Mediterranean lifestyle for centuries)
7. Summer has finally – FINALLY – arrived!
8. It's perfect with ham (hot or cold) and other pork dishes
9. You feel like putting ice cubes in your wine
10. You're having a bridal shower, a summer picnic, a girls' night out - or simply relaxing on the patio with a great book

Bonus: 30 attractive Spanish Rosé labels included within each Winexpert kit.
