

BREW KING'S *LUNA BIANCA*™ is unquestionably our biggest, boldest white wine ever. In the spirit of the great full-bodied Chardonnays of California and Australia, *LUNA BIANCA*™ is lush, golden and rich. A swirl of the glass shows off the body of this wine, as the upper reaches cling to the sides, slowly making their way back down the bowl. The bouquet is intense and full of fruit, inviting a try of the flavours, which are a solid blend of buttery oak and full, robust fruits, including peaches and bananas. A white wine of unmatched depth and complexity, featuring a tantalizingly long and delightful finish.

Italian for 'White Moon', *LUNA BIANCA*™ takes its name from the traditional Italian practice of planting grapevines with the appearance of the full moon. The belief is that the alignment of the grape-growing process with the lunar stages maximizes the chances for a successful harvest.

And what a success it is! *LUNA BIANCA*™ salutes this tradition in style with a dramatic white wine that you will be proud to serve to friends and family over special dinners, or enjoy all on its own.

The world's first 15 litre premium winemaking kit, Brew King's *Selection* sets the standard in home winemaking excellence. Featuring 100% pure varietal grape juice and juice concentrate, *Selection* continually tests the boundaries of winemaking, yielding wines of wonderful flavour, aroma and complexity. Quality and innovation – from the industry's leading premium brand.

***Rich, Flavourful and Full-Bodied.
The 'Biggest' White Ever!***

Style: To begin – dense, luscious, buttery aromas dance up from the glass. But the flavour – *oh, the flavour!* Tropical fruits blend effortlessly with the vanilla-oak backing – a technique usually achieved through barrel fermentation with extended *lees* (yeast sediment) contact. The high alcohol finished wine is smooth and mouth-filling, with a rounded, lingering finish, partially brought about by a slight residual sugar content.

The decisive difference in creating a white wine unlike any other in a kit format? An F-pack™ with pure Chardonnay juice – another industry first.

Similar styles: Chardonnay/Semillon, Australian Murray River Reserve™, French Chardonnay.

Food pairings: Marinated chicken, ham, fish in rich sauce, lobster, grilled vegetables, stews, and all kinds of pasta.

Sweetness code: 1 (*Off-Dry*)

Oak: Premium American toasted oak.

Aging: Smooth after one month, but will develop in complexity up to two years.
