PREMIUM WINE KIT

Selection Original Series, the world's first premium winemaking kit contains 100% pure varietal grape juice and varietal grape juice concentrate.

This superb kit combines simplicity and consistency, to produce wine of great flavour, aroma and complexity. **Selection Original Series** continues to break new ground in quality, reinforcing its status as the leading 15 litre premium winemaking kit.

Selection SYMPHONY an encore performance!

A past **Limited Edition** favourite in 2002 and 2004, we are excited to announce that **Selection Symphony** (one of the most popular varieties ever in the history of the Limited Edition Program) has been added to **Selection Original Series**.

Symphony is a white grape that defies tradition and convention. It is a crossing of two French grapes: Muscat of Alexandria, a white grape of intensely aromatic, 'grapey' character, and Grenache Gris, a red grape with bold fruity aromas and zesty acidity. The resulting wine has incredibly intense aromas of melon, grapefruit, mango, peach, banana and papaya. The fruity character picks up a strong backbone from the good acidity and hint of tannin carried over from the Grenache Gris. The name was endowed by a wine scientist who tasted one of the first finished wines made from the new grape and declared that it showed 'a *Symphony of aromas and flavours.*' **Selection Symphony** is fabulous as a social wine, for sitting on the patio with friends, and is excellent with spicy foods like Szechuan or even Mexican. It's also great with sliced mango and papaya.
