Viognier

An Exquisite Californian White!

Style: The intense fruitiness of this beguiling wine suggests rich sweetness, but it shows a surprisingly dry and aromatic finish. A delicate yellow colour, tinged with the variety's typical 'green-gold' hue, it bursts out of the glass with apricot, peach and spice aromas. As it matures, it can also display hints of jasmine, honeysuckle, kiwi, mint, orange blossom and even mango! While higher in alcohol than many white wines, it drinks well young nonetheless. Lower acidity makes it friendly to a wide range of foods, but it's 'soft but strong' character makes it excellent for sipping alone.

Similar Styles: Gewürztraminer, Symphony, Piesporter (but drier).

Food pairings: Grilled marinated chicken, turkey, ham, grilled fish, pastas with cream-based sauces, spicy Asian noodle dishes, chowders, shrimp salad.

Sweetness Code: 0

Oak: None

Aging: Allows for early consumption, with a minimum of two months recommended.

Viognier is a unique and exciting addition to Brew King's *Selection* line. Expect spectacular floral aromas and luscious fruit flavours from the Californian wine industry's up and coming grape variety.

Another fantastic white wine from the world's largest – and best – wine kit manufacturer.
